- Refer to senior subject offerings in the Curriculum Guide to evaluate the VCE subject you may wish to accelerate in for your Year 10 program.
- Recommend that students do not choose a Year 10 subject that is too similar to their VCE subject as the Year 10 subject is often the foundation of the VCE unit.
- The choice of a VCE/VET subject will be equivalent to two preferences as the VCE/VET subject is studied in both semesters.
- Student sessions have detailed the choices available
